

WHAT IS THE VIRTUAL SCHOOL STORE AND ALL 4 SPORTS

The Virtual School Store and All 4 Sports are programs we designed to help give youth sports programs and schools the opportunity to give as much back as they can.

You depend on so much volunteering and donations. We know how much new equipment, referee fees, prom and field trips can add up year after year.

You host fundraisers, concession stands, and you buy a lot of your apparel in bulk trying to recoup the cost you paid out. Just barely making a profit.

What parent doesn't like to sport their kids name, number and/or picture on the field and off the field? What kid wouldn't like to celebrate that they are a senior? These programs give them the opportunity without any risk to your organization and yield a larger profit
